MEMA is a coalition of partners working together to plan for, respond to, successfully recover from and mitigate against catastrophic events to save lives and property.

Mission Statement

The mission of MEMA is to support and enhance Emergency Management in the State of Michigan by representing local emergency management at the local, state and federal levels of government, promoting Emergency Management Program Standards, encouraging sound legislations supporting mitigation, preparedness and recovery issues, and developing unity among Emergency Management Professionals.

Within these broad objectives, the purpose of the Association is to:

- Establish an effective and coordinated liaison between local emergency management agencies and the State and Federal Government
- Assemble information from local emergency management agencies concerning common experiences to improve the professional stature of all emergency management agencies, and to disseminate such information to the members and to State and Federal Government
- Provide local emergency management agencies with a vehicle of communication with State and Federal Government
- Act as a liaison between industries, commercial and educational entities, and local emergency management agencies
